CRPF 80-20 Cotton Cloth Normal Dress

Premium Duty Uniform | Comfortable, Durable & Professional

Product Overview

The CRPF 80-20 Cotton Cloth Normal Dress is designed for personnel who require comfort, durability, and a professional appearance during daily duty. Manufactured using a premium blend of 80% Cotton and 20% Polestar fabric, this uniform offers excellent breathability while maintaining strength and long-lasting performance.

The fabric is specially selected to provide comfort during extended wear and remains suitable for various weather conditions. Its fade-resistant properties help maintain a fresh and professional appearance even after repeated washing.
